

Social Club

Fallulah

Yeah yeah
Here I come again
With my soul on my sleeve
While we all pretend
And you look the other way
While I play the fool
Trying to fit in

Brr umm
Ba bum
Oh my god
That's the sound of my heart

We talk we talk
Bubblegum smack
We talk we talk
Bubblegum
We talk we talk
Bubblegum smack
We talk we talk

This is the social club
We're scared of fucking up
Who is gonna call my bluff?
Will I ever be enough?

Spin around
Spin around for us
Don't laugh you can't pass no
This is the social club
We're scared of fucking up
Who is gonna call my bluff?
Will I ever be enough?
Spin around
Spin around for us
Tough luck you can't cross no

Have a drink just to take the edge
But don't lose your cools
And don't lose your head
Uh uh
Don't you eat the bread
Don't you wanna look your very best?

We talk we talk
Bubblegum smack
We talk we talk
Bubblegum
We talk we talk
Bubblegum smack
We talk we talk

This is the social club
We're scared of fucking up
Who is gonna call my bluff?
Will I ever be enough?

Spin around
Spin around for us
Don't laugh you can't pass no
This is the social club
We're scared of fucking up
Who is gonna call my bluff?
Will I ever be enough?
Spin around
