

## Sunsets

Fallulah

I wanna watch another sunset with you  
Don't leave me, don't leave me, don't you  
I wanna freeze this moment in time  
Don't shatter, don't shatter the ice

I want the high, highs  
I want the low, lows  
I wanna grip tight  
I wanna let go  
I wanna be the one you take  
When you step into the night

I'm talking 'bout dreams  
I'm talking 'bout you and me  
And all the love in between  
I don't wanna be free  
If that's without you babe  
(Dreams)  
I'm talking 'bout you and me  
And all the love in between  
I don't wanna be free  
If that's without you babe

You always beam like the sun in my eyes  
Don't whisper, don't whisper goodbye  
I wish a day could repeat like a song  
Let's sit here and never move on, on

I want the high, highs  
I want the low, lows  
I wanna grip tight  
I wanna let go  
I wanna be the one you take  
When you really caught your right

I'm talking 'bout dreams  
I'm talking 'bout you and me  
And all the love in between  
I don't wanna be free  
If that's without you babe  
(Dreams)  
I'm talking 'bout you and me  
And all the love in between  
I don't wanna be free  
If that's without you babe

I don't ever wanna be without you  
I don't even wanna breathe without you  
I don't wanna be free without you, oh  
I don't ever wanna be without you  
I don't even wanna breathe without you  
I don't wanna be free without you

I'm talking 'bout dreams  
I'm talking 'bout you and me  
And all the love in between  
I don't wanna be free

If that's without you babe  
(Dreams)  
I'm talking 'bout you and me  
And all the love in between  
I don't wanna be free  
If that's without you babe  
I don't wanna be free  
If that's without you  
(Dreams)  
I don't wanna be free  
If that's without you babe
