

Wailing

Fallulah

Oh I'm flower
Oh I'm winter
Settled up here in this cinder
I am regal in the ant farm
Got the power cause I'm bigger

Oh I'm dreary from the season
It will work out
I've got reason
Oh I've laid down for a long time
Got no power cause it's bigger than me

I'm the longest winter
And I'm dark as cinder
Here forever wailing
Wailing
