

## Wailing

Fallulah

Oh I'm flower  
Oh I'm winter  
Settled up here in this cinder  
I am regal in the ant farm  
Got the power cause I'm bigger

Oh I'm dreary from the season  
It will work out  
I've got reason  
Oh I've laid down for a long time  
Got no power cause it's bigger than me

I'm the longest winter  
And I'm dark as cinder  
Here forever wailing  
Wailing
