Falz

Take a look at me (oh baby)
Tell me what you see (oh baby)
My baby girl yello (oh baby)
Everywhere you go
We are who we are (oh baby)
And I like to play guitar eh (oh baby)
See na we dey ginger pass (oh baby)
Oya make your body pause like that
I'm feeling good I'm feeling nice yeah!
(Come celebrate)
Na we be the pulse wey them dey find now
Cause anything we do they want to do
Anywhere we go they wan follow
We be the number one for this game now
(Number one, number one)

Old Papa youngy
After many many talk you dey hungry
E go hard to collect banana from monkey
All the young people they say na me they wan be
All the users they wear black and green oh
(Black and green oh)
Everything we do fresh and clean oh
(Fresh and clean oh)
Right now I'm on a bossing p
I'm too big too much they are watching me
All the fine fine girls steady coughing me
As I pause everything happen suddenly
Overnight they are calling me
I'm a boss I'm in charge them they follow me
They no fit tell you say they no know me
Cause when you join pulse you are on the winning team

Take a look at me (oh baby)
Tell me what you see (oh baby)
My baby girl hello (oh baby)
Everywhere you go
We are who we are (oh baby)
And I like to play guitar eh (oh baby)
See na we dey ginger pass (oh baby)
Oya make your body pause like that
I'm feeling good I'm feeling nice yeah!
(Come celebrate)
Na we be the pulse wey them dey find now
Cause anything we do they want to do
Anywhere we go they wan follow
We be the number one for this game now
(Number one, number one)

Yeah we are young olorin
Olorin new school
It's not like we are forming, Or trying to look cool
So when the girls are coming they come in two two
Honey prove to me why I will choose you
They see the swag, ofema dob wa agbaya
Almost 50 forming young star
Ah! Excuse me sir when will you retire

Baby girl feel my purse, what do you desire
It's not like we planned it, we are who we are
Is she your girlfriend, she dey feel the star
You know we dey take over, it's a coup de ta
406 na the code ibeni ikumi wa
We on the air, we they occupy the cyberspace
Yellow drop top riding to a finer place
With designer frames, I see you like my gaze
You want to chill with us
You look quite amaze

I'm feeling good I'm feeling nice yeah!
(Dance celebrate)
Na we be the pulse wey them dey find now
Cause anything we do they want to do
Anywhere we go they wan follow
We be the number one for this game now
(Number one, number one)
