

Beautiful Sunflower

Falz

My beautiful sunflower
Every hour o
Think o' you every night

My beautiful sunflower
You light my fire
Baby I need you right now

Touching your body
Badman touching your body
Touching your body

Touching your body
Badman touching your body
Touching your body

Oh baby youre my only one
I no bobo you
I go follow you go
Anywhere wey you lead me to

Oh baby I dey wait for you
When are you coming home
Why you no call me for phone
Make I hear say you need me

Don't keep me waiting tonight
I got plans for your delight
I want turn on all the lights
And watch you dance

When you go take your journey
Make you come taste your loving
Wey I never give to nobody
Wey I never never never ever ever

My beautiful sunflower
Every hour o
Think o' you every night

My beautiful sunflower
You light my fire
Baby I need you right now

Don't keep me waiting oh my days
I know every single way
To please you baby oh no

Any time and any place
Oo I'm ready, boy I'm on a mission
No intermission, intermission

I can feel it coming
Feel your fire burning
Boy you do me something
I'm not contemplating I'm just trynna give my loving
Baby take it from me

You ain't never had no type of love like this

My beautiful sunflower
Every hour o
Think o' you every night

My beautiful sunflower
You light my fire
Baby I need you right now
