She let herself go, she let mummy down
But she go fight to defeat that depression
As long as shes alive she can still find redemption
Shes getting people sensitized about the virus
She now hoping that her story might inspire us
Don't be like me, help me tell the young ones
Don't come to realize it after you're long gone
Please, don't be a fool now, don't go astray
Don't be a victim of your circumstance
Omoluabi ma bo s'owo aiye I didn't know when I lost my way
