

# Confirm

Falz

Nothing wey you wan talk  
Nothing wey you fit explain  
You no work but you wan chop  
You wan score but you no get game  
Rise up for me, rise up  
Wise up, better change your plan  
More hustle for the righteous  
If you don't know, then you better confirm oh  
Better confirm oh, better confirm oh  
Better confirm  
You can go with me if you never confirm oh  
You never confirm oh, you better confirm oh  
You better confirm

Internet gangster  
T's the first chapter  
This brother just hammer  
He collect from one maga  
He's still [?] Money, na him wan dey form swagger  
Everyday for the thief, one for karma  
So, you happy when you log into your online haven  
And when you're getting richer of another man's saving  
Stop explaining, don't be lazy  
No excuse you fit give them  
No be only una wey be victim of the system  
No you no be hustler, that one no be work sir  
You wan carry dofu dofu, instead make you hustle double  
Hoping you would realise, you're not in a real life  
You're not sharper than a nigga working in pinstripe  
Person talk small, you left threats in the comment section  
You never got attention, then you tried to flood the [?]  
You don forget say this person get some God protection  
Get your ass up before you end up for detention

Nothing wey you wan talk  
Nothing wey you fit explain  
You no work but you wan chop  
You wan score, but you no get game  
Rise up for me, rise up  
Wise up, better change your plan  
More hustle for the righteous  
If you don't know, then you better confirm oh  
Better confirm oh, better confirm oh  
Better confirm  
You can go with me if you never confirm oh  
You never confirm oh, you better confirm oh  
You better confirm

No be say I holy pass  
No, I'm far from that person  
Every teaching, every sermon  
Every life lesson go surely tell you the same thing  
My guy, this life no be level playing field  
Uhn  
Just run your own race  
No double-cross another man  
Everyone no fit get the same speed

Yeah

Mi lo sope mo 're fa ra we Ki lo ma womo Dangote  
For the little wey i get, baba God nagode  
I'm steady grinding, because I need to get the pepper  
Emi sare sare ti ti ti a te le se mi se je  
So sell plantain today, tomorrow buy plantation  
And fly first-class for a nice vacation  
Getting anyway will teach you to get the wrong way  
Abi they told you Rome was built in one day  
[?] Better have a plan oh  
If you don't know, you better confirm oh  
You better confirm

Nothing wey you wan talk  
Nothing wey you fit explain  
You no work but you wan chop  
You wan score, but you no get game  
Rise up for me, rise up  
Wise up, better change your plan  
More hustle for the righteous  
If you don't know, then you better confirm oh  
Better confirm oh, better confirm oh  
Better confirm  
You can go with me if you never confirm oh  
You never confirm oh, you better confirm oh  
You better confirm
