Ello bae bae ello bae  
You get talk so many things  
I want to say  
I dey reason your love eh  
So you go reason my love eh  
If I no see you today  
Shey I go see you tomorrow  
Ello bae bae ello bae  
You get talk so many things  
I want to say  
I dey reason your love eh  
So you go reason my love eh  
If I no see you today  
Shey I go see you tomorrow

I want to pay your money  
I for like to buy the kola  
But I no go lie am local  
And you are from diaspora  
I no dey worthy to be your bae  
Cause if to say I get the pay  
We for done do the wedding teyey  
But I no get money to do it your way  
She say guy you too dey lie qualli  
Say I love till I die honey  
She say I love you no be by money  
She say I love you cause you kind to me  
And even if you no buy me house  
Your ambition is enough for now  
Even if you no buy motor  
That one no mean say I go carry you go

She say she no get the talent  
She say she no meet the target  
I tell her she get the asset  
Wey them no fit see for market  
No be that one you see for movie  
Or when you dey browse internet  
No be that one wey get all the figure eight  
No be that one be perfect

Oya come let me see

If our biology get chemistry  
Omo compose gently  
No dey show intellegency  
We can rob mindses  
Mentally you can romance me  
I will tell you its actually you that I fancy

You want tall dark and handsome  
I can be that one thank God  
You want the one that you will now come  
And speak oyinbo from abroad  
Mo ti so fun e Lana  
Am not into all that jo  
Am just looking for a regular funke or dolapo  
You get your own wahala  
I get my own for body  
But I still know for my mind  
Say if I get you I lucky  
Tell me what you are feeling for me  
Na your loving dey give me worry  
O de wa pe mi looruko  
Fa mi ni ru gbon  
Let your live injure me
