

Falz

No be say dem too shack
Time don go
Night don show
Make dem come go house
Who stand for road
Make I horn oh
Na em po po shout
Park there
Where your particulars
And where do you think that you are going like this
Nu wo yi ale
Elu kpe le ma beh
Te ba soro ju, ema teh

Una don run go chop life
Oya give me my share
Before them talk one
E say shut up
Small boy, who dash you liver?
Talk more I go cock gun
Small time e don pull trigger
Ah
E don kill am oh

We are gonna have a short break
Everybody say yea yea
Yea yea

Johnny just drop
Na po-po shoot am down
This motherfucking trigger-happy nigga
Just cause unnecessary sorry for em family sha
All because them no oblige you when you ask for some cash
No fucking dreads, no weapons
Just him and his guys in his car
You have the guts to tell me you accidentally discharge
Mad man
Waka
You be bloody bastard
You waste a life and try to tell me that you sorry after
Trying times and dark days is just becoming darker
It's still the same sad story just another chapter
Johnny drop for Borno
Johnny kpai for Plateau
Some blame it on religion
Some they fight for Malu
Johnny drop for Lagos cause a foolish man overdo
Johnny continue to drop
Eyan melo lo maku
Eyan melo lo maku
Eyan melo lo maku
