If yawa bust, call falana
No vagabond wey fit ball like I ball
It is more hazardous than one catapult
In a gunfight. To be concise
Anybody wey dey reason no go want try
Oya come slow down oh baddie
Shake am for daddy
Back from kumasi, waist from kigali
Criminally culpable, oun to fi she' badi
Uniform squad wole awa fe she' wadi
My whole community go turn up tonight
We just a couple black men living colorful lives
Dj dey churn out the vibes somebody turn out the lights

Biggy biggy (biggy), heavy heavy (heavy)
When I come in pour some confetti
Follow me to lagos, sh'o ti ready?
Emi l'omo to n so, to n so
