Lowkey wey dey wear tux

I dey wan dey show I dey fresh

But it dey be like say them no hear word (Bahd guy)

Uh, tear drop

Me, I'm still spitting that rare stuff

Switched up a notch

And then wrote the song

So these guys know that I'm polished (polished)

Yeah nigga, I'm polished

I'm sophisticated, I promise (promise)

Yeah nigga, I'm polished

I'm sophisticated, I promise (promise)

Yeah nigga, I'm polished

Yeah nigga, I'm polished

I'm sophisticated, I promise (promise)

Yeah nigga, I'm polished

Cos' a nigga joke with the vocal now

Man say that the boy is local

So I switched off that broken

Let the man know that the boy is global (top boy)

I might be hilariously goofy

But I need to show that I'm no Baba Suwe (mandem)

So I packed it all in my suitcase

With a screwface and went back to the UK (give dem)

Mo se tan mo tun gbe pada wa

You like the tuxedo it's made of Ankara (damn)

Many bundles in the caravan

Hennessy is in the calabash

Ah, ah, ah, Opapaparada

My bars make you feel inferior

It's my time we about to get serious

Pussy niggas won't see their period (1, 2, 3, give dem)

I be razzo, e be clear cut (eh)

Lowkey wey dey wear tux

I dey wan dey show I dey fresh (ose)

But it dey be like say them no hear word (swag)

Uh, Tear drop

Me, I'm still spitting that rare stuff

Switched up a notch

And then wrote the song

So these guys no that I'm polished (polished)

Yeah nigga, I'm polished
I'm sophisticated, I promise (promise)
Yeah nigga, I'm polished

Yeah nigga, I'm polished
I'm sophisticated, I promise (promise)

See you and your guys don't have my exposure (bullshit)
Malo fara we sha
Leyin, ma ni mo wo
I dey with your girlfriend
O fe gba mi lo po
Cos' she can smell Tom Ford in my odour
Talk the one that they can relate
And still speak oyinbo to the magistrate
I dey chop poundo with Versace plate
But na you dis ting go dey fascinate (boy boy boy)

They go talk say person no go school
But I'm the one that came first in the S-class
I don't really let strangers trespass
If you really wanna talk, get a press pass
Date girls in Banana Island
Cos' we like that expensive swagger
Let the Gucci complement the Prada
Balance myself on Balenciaga (get em)

I be razzo, e be clear cut (eh)
Lowkey wey dey wear tux
I dey wan dey show I dey fresh (ose)
But it dey be like say them no hear word (swag)
Tear drop
Me, I'm still spitting that rare stuff
Switched up a notch
And then wrote the song
So these guys no that I'm polished (polished)

Yeah nigga, I'm polished
I'm sophisticated, I promise (promise)
Yeah nigga, I'm polished
I'm sophisticated, I promise (promise)
Yeah nigga, I'm polished
I'm sophisticated, I promise (promise)
Yeah nigga, I'm polished
I'm sophisticated, I promise (promise)
