You said I talk lies, I dey drop lines  
You think I'm Solomon, with the concubines  
I hope that you will find another boy tonight  
Wey go treat your body nice, wey go love you right  
S'emi l'o fe fi style lo disqualify?

But, maybe you should have even try to find out  
And when you' done talking, shut your damn mouth  
And walk yourself out, cause' I can't shout
