Who dey hustle na hin know the real way oo
Everything we do is all about the ego
Ogbeni check oo

Many men don make it at the ghetto
And if you check, dem no pass NECO (is that so?)
No dey form say you get sense
Na how you dey measure your intelligence?
But we still no dey fit see the extent
If you no dey get cheque, what's the essence
When boys no dey fit feel your presence?
