Chulo  
Chulo  
Leggo  
Get it get it  
Let's get it  
Let's get it  
Willis give them

I like the money  
I like my girls  
I like the show  
I like the fan  
I got my kids  
I want them around  
That's a good feeling  
All of my girls  
They got style plus I'm stylish  
What the fuck you want?  
I got my women  
I like the money  
I like the love  
And I got the juice  
Ain't gon let nobody just fuck my reggae with blue  
I got house  
I got the love  
And I got the bag and money ever  
And I'm happy

Yea  
Let's get it  
I like the money and the Maybach  
I know that the hustling will pay back yea  
I make the money, I wan live right  
Fuck your feelings, we don't got no feelings over here  
See  
All my life  
We just wanna travel round the world wide  
We don't give a fuck about no snitching ass  
We just wanna live my life  
Fuck your feelings, we don't got no feelings over here  
Let's get it

Win win win  
Everyday in my life is to win  
Right yea  
More money, more cars, more women  
Contract, elevating, congrats

Bad guy is in the building  
I no like the people wey no get money  
But them dey like to find attention  
I no like the people wey no get money  
But them dey like to find attention  
If you no dey talk money, no dey call my phone  
That's some bad connection  
If you no dey talk money, no dey call my phone  
That's some bad connection

Yea

This no be swag that you can clone  
If I sneeze on a track, they will download  
I no dey chop, I dey park roll  
Them for tire to dey scan barcode  
Mad flossing like a mad person  
Big energy god, car buzzing  
I'm surrounded by like five dozen  
Nigga saying 'Oga find something o'  
But it's far future  
If I can, I go buy the country  
OG getting mad salty  
Cause I'm balling like at 40  
I'm still young but call me uncle  
It's a sign of respect  
If Papichulo fit vouch for you  
I go sign the check

Let's get it

All my life  
I like the money and the Maybach  
I know one day hustling will pay back yea  
I make the money, I wan live right  
Fuck your feelings, we don't got no feelings over here  
See  
All my life  
We just wanna travel round the world wide  
We don't give a fuck about no snitching ass yea

Win win win  
Everyday in my life is to win  
Right yea  
More money, more cars, more women  
Contract, elevating, congrats

Let's get it

Higher everyday  
When I dey down for the ghetto  
Nobody give me help  
Now I'm standing and I'm grinding  
Everybody come my way  
Nobody gave a fuck about me  
Me I got to hustle everyday  
No be lie  
How I dey  
How I grind  
How I climb  
Nobody know me  
Nobody feel me  
Back then nobody feel my style  
Now I'm chilling  
Chulo way  
Everybody come my way  
We no get problem

Let's get it

All my life  
I like the money and the Maybach  
I know one day hustling will pay back yea  
I make the money, I wan live right
