

## 24K Magic

## Fame On Fire

Tonight  
I just want to take you higher  
Throw your hands up in the sky  
Let's set this party off right

Players, put yo' pinky rings up to the moon  
Girls, what y'all trying to do?  
24 karat magic in the air  
Head to toe so player  
Uh, look out!

Okay now it's the young OG doing big things  
Always got a foreign in the forum when I switch lanes  
24k on my chain, girl that's real gold  
I ain't tryna rush, but I ain't into movin' real slow  
So I'ma put the bottles on ice right now  
She don't smoke, but she higher than a kite right now  
If you stuntin' put your hands in the sky right now

Ooh shit, I'm a dangerous man with some money in my pocket  
(Keep up)  
So many pretty girls around me and they waking up the rocket  
(Keep up)  
Why you mad? Fix ya face  
Ain't my fault y'all be jocking  
(Keep up)

Players only, come on  
Put your pinky rings up to the moon  
Girls, what y'all trying to do?  
24 karat magic in the air  
Head to toe so player  
Uh, look out!

The second verse for the ballers, shot callers  
Anybody in the building that's #blessed  
And we gonna bring the champagne out  
Bring the whole thing out  
'Cause tonight we ain't worried, no stress  
And I'ma blow a stack in a week  
And make it back in a week  
Just to show all my haters how I flex  
When I pull up in the drop top Benz  
And I'm fresh out the jet, you should already know  
I'm the best, talk to me, wassup

I'm a dangerous man with some money in my pocket  
(Keep up)  
So many pretty girls around me and they waking up the rocket  
(Keep up)  
Why you mad? Fix ya face  
Ain't my fault y'all be jocking  
(Keep up)

Players only, come on  
Put your pinky rings up to the moon
