

Crazy For Your Crazy

Fame On Fire

She says I wanna fuck her best friend
There she goes accusing me again
She's a savage, what a bad bitch
Why you gotta go and trash it?

I thought that we were doin alright
She's a devil in an angels light
She's a habit, gotta have it
yeah girl your makin' me an addict

Boom
She's a ticking time bomb
Boom
But it's turning me on
I man enough to say it
That I'm crazy for your crazy
She make me go
Boom
She's a stone cold hustler
Boom
But she's like no other
I'm dumb enough to think this could be real
Girl I'm crazy for your crazy
Girl I'm crazy for your crazy
Girl I'm crazy for your crazy
Girl I'm crazy for your crazy
So fucking crazy for your crazy

Always acting like there's nothing wrong
Taking what she wants then moving on
She's vindictive, plays the victim
Kinda sexy, kinda twisted

She thinks I'm a quitter
But I'm off bitter
That's the trade off
What a pay off
I'm addicted to the chaos

Boom
She's a ticking time bomb
Boom
But it's turning me on
I man enough to say it
That I'm crazy for your crazy
She make me go
Boom
She's a stone cold hustler
Boom
But she's like no other
I'm dumb enough to think this could be real
Girl I'm crazy for your crazy
Girl I'm crazy for your crazy
Girl I'm crazy for your crazy
Girl I'm crazy for your crazy
So fucking crazy for your crazy

Girl I'm crazy for your crazy
So crazy for your crazy
So crazy for your crazy
So so

Boom
She's a ticking time bomb
Boom
But it's turning me on
I man enough to say it
That I'm crazy for your crazy
She make me go
Boom
She's a stone cold hustler
Boom
But she's like no other
I'm dumb enough to think this could be real
Girl I'm crazy for your crazy
Girl I'm crazy for your crazy
Girl I'm crazy for your crazy
Girl I'm crazy for your crazy
So fucking crazy for your crazy
