

# Lost In Doubt

Fame On Fire

You tell me I'm lost in doubt  
And you can't save me now  
I'm playing the field to feel  
Where you've been around  
I take these pills to maybe heal  
But I'm just trying to feel  
You tell me I'm lost in doubt  
And you can't save me now

You tell me I'm  
Bitter with a broken heart and that I'm  
Love drunk don't get me started cause I  
Remember when you left me  
You said I was the best thing  
Now I'm bleeding  
I'm dreaming  
About what we could really be  
I need it  
I'm fiening

You tell me I'm lost in doubt  
And you can't save me now  
I'm playing the field to feel  
Where you've been around  
I take these pills to maybe heal  
But I'm just trying to feel  
You tell me I'm lost in doubt  
And you can't save me now

You tell me I'm  
Selfish and I'm self obsessed yeah  
Never listened to a single word you said  
That's not how it's supposed to be  
You said you'd give me everything  
Oh why  
Why do you let my mind  
Run wild with thoughts of you?  
I don't know what I can do  
To be with you

I'm too far gone  
I wish I could make it right I'm sorry hold on

You tell me I'm lost in doubt  
And you can't save me now  
I'm playing the field to feel  
Where you've been around  
I take these pills to maybe heal  
But I'm just trying to feel  
You tell me I'm lost in doubt  
And you can't save me now

You tell me I'm  
Lost in doubt  
I'm bleeding, I'm dreaming  
You tell me I'm lost in doubt (Lost in doubt)  
I need it, I'm fiening

I take these pills to maybe heal  
But I'm just trying to feel  
You tell me I'm lost in doubt  
And you can't save me now  
You tell me I'm
