

...Ready For It?

Fame On Fire

Knew she was a killer first time that I saw her
Wonder how many guys she had loved and left haunted
But if she's a ghost, then I can be a phantom
Holdin' her for ransom, some
Some girls are tryin' too hard, she don't try at all though
Younger than my exes, but she act like such a whore, so
I see nothing better, I keep her forever
Like a vendetta-ta

I, I, I see how this is gon' go
Touch me and you'll never be alone
I-Island breeze and lights down low
No one has to know

In the middle of the night, in my dreams
You should see the things we do, baby
In the middle of the night, in my dreams
I know I'm gonna be with you
So I take my time
Are you ready for it?

Knew I was a robber first time that she saw me
Stealing hearts and running off and never sayin' sorry
But if I'm a thief, then she can join the heist, and
We'll move to an island, and
And she can be my jailer, Burton to this Taylor
Every love I've known in comparison is a failure
I forget their names now, I'm so very tame now
Never be the same now, now

I, I, I see how this is gon' go
Touch me and you'll never be alone
I-Island breeze and lights down low
No one has to know (no one has to know)

In the middle of the night, in my dreams
You should see the things we do, baby
In the middle of the night in my dreams
I know I'm gonna be with you
So I take my time
Are you ready for it?
Ooh, are you ready for it?

Baby, let the games begin
Let the games begin
Let the games begin
Baby, let the games begin
Let the games begin
Let the games begin

I, I, I see how this is gon' go
Touch me and you'll never be alone
I-Island breeze and lights down low
No one has to know

In the middle of the night, in my dreams
You should see the things we do, baby

In the middle of the night, in my dreams
I know I'm gonna be with you
So I take my time
In the middle of the night

Baby, let the games begin
Let the games begin
Let the games begin
Are you ready for it?
Baby, let the games begin
Let the games begin
Let the games begin
Are you ready for it?
