

Side To Side

Fame On Fire

I've been here all night
I've been here all day (Eric Dunn)
And boy, you got me walkin' side to side

I'm talkin' to ya
See you standing over there with your titties
Feeling like I wanna rock with your titties
And we don't gotta think 'bout nothin' ('Bout nothin')
I'm comin' at 'em
'Cause I know you got a bad reputation
'Cause I'm friends with all the dudes you've been dating
But I still wanna taste that muffin (That muffin)

These friends keep talkin' way too much
Say I should give you up
Can't hear them, no, 'cause I...

I've been here all night
I've been here all day
And girl, you got me walkin' side to side
I've been here all night
I've been here all day
And girl, you got me walkin' side to side (Side to side)

Been tryna hide it
I'm been tryna push it down so you don't know
Gotta think about my grandma so it don't grow
Just as long as you know it's all me (It's all me)
And girl, I got ya
'Cause tonight I'm making deals with the devil
And I'm probably stick it in the rubble
Just as long as you know I'm sorry

These friends keep talkin' way too much
Say I should give you up
Can't hear them, no, 'cause I...

I've been here all night
I've been here all day
And girl, you got me walkin' side to side (Side to side)
I've been here all night (Been here all night, baby)
I've been here all day (Been here all day, baby)
And girl, you got me walkin' side to side (Side to side)

This the new style with the fresh type of flow
Come get on the floor, ride dick bicycle
Ride real slow, it's been quite the show
If you wanna Minaj, I got the tricycle

My dick got the evil and you mini-me
Body sweating, got you walking crooked 'cause we finished three
Got you in your feelings 'cause you feelin' me
Uh, I gave too many fucks and now my balls are screaming up at me
Tiffany, matched her on Tinder but got a Stephanie
Fucked up off the Henny so maybe it's really Tiffany
Balls pop and I make that pussy pop
I'm the king of rap and Fame on Fire run rock

These friends keep talkin' way too much (Way too much)
Say I should give him up (Give him up)
Can't hear them, no, 'cause I...

I've been here all night (Been here all night, baby)
I've been here all day (Been here all night, baby)
And girl, you got me walkin' side to side (Side to side)
I've been here all night (Been here all night, baby)
