So Sad

Fame On Fire

I'm so sad, I wish I could just go back
To the days we were okay
When we used to feel so safe, yeah
I'm so sad, I wish I could just go back
To the days we were okay
When we used to feel so safe
But we went our separate ways

I've been on my own since the day you walked out
I remember what you said to me
You just couldn't do this anymore
Is it cause you didn't get it your way
Why didn't you call? You just left us all
Can we just go back? Take me back

I'm so sad, I wish I could just go back
To the days we were okay
When we used to feel so safe, yeah
I'm so sad, I wish I could just go back
To the days we were okay
When we used to feel so safe
But we went our separate ways

I know that it's not my fault
But I feel like I'm to blame
No, I just couldn't stop you
From the decision you made
I'm on my own

I'm so sad, I wish I could just go back
To the days we were okay
When we used to feel so safe, yeah
I'm so sad, I wish I could just go back
To the days we were okay
When we used to feel so safe
But we went our separate ways

Where do we go from here?
Did he warn you to disappear?
But you gave me no choice
And you just made that clear
Tell me where do we go from here?
Did he warn you to disappear?
But you gave me no choice
And you just made that clear

I'm so sad, I wish I could just go back
To the days we were okay
When we used to feel so safe, yeah
I'm so sad, I wish I could just go back
To the days we were okay
When we used to feel so safe
But we went our separate ways
