

Vampire

Fame On Fire

I hate to give the satisfaction
Asking how you're doing now
How's the castle built off
People you pretend
To care about?
Just what you wanted
Look at you, cool girl
You got it
I see the parties
And the diamonds sometimes
When I close my eyes
Six months of torture you
Sold as some forbidden paradise
I loved you truly
You gotta laugh at the stupidity

'Cause I've made some
Real big mistakes
But you make the worst one
Look fine
I should've known it was strange
You only come out at night
I used to think I was smart
But you made me look so naive
The way you sold me for parts
As you sunk your
Teeth into me, oh
Bloodsucker, fame fucker
Bleedin' me dry like
A damn vampire

And every guy I ever talked to
Told me you were bad, bad news
You called them crazy, God
I hate the way I called 'em
Crazy too
You're so convincing
How do you lie
Without flinching?
(How do you lie?
How do you lie?
How do you lie?)
Oh, what a mesmerizing
Paralyzing, fucked up
Little thrill
Can't figure out just
How you do it and God knows
I never will
Went for me and not him
'Cause guys your age
Know better

I've made some real big mistakes
But you make the worst one
Look fine
I should've known it was strange
You only come out at night

I used to think I was smart
But you made me look so naive
The way you sold me for parts
As you sunk your
Teeth into me, oh
Bloodsucker, fame fucker
Bleedin' me dry like
A goddamn vampire

You said it was true love
But wouldn't that be hard?
You can't love anyone
'Cause that would mean
You had a heart
I tried to help you out
Now I know that I can't
'Cause how you think's
The kind of thing I'll never
Understand

I've made some real big mistakes
But you make the worst one
Look fine
I should've known it was strange
You only come out at night
I used to think I was smart
But you made me look so naive
The way you sold me for parts
As you sunk your
Teeth into me, oh
Bloodsucker, fame fucker
Bleedin' me dry like
A goddamn vampire
