

You Proof

Fame On Fire

Yeah, I've been throwin' down
The whiskey
I ought to get my money back
Someone said it
Drowns the memory
Aw, but it ain't doin' jack

Yeah, I've been sippin'
I've been buzzin'
Shootin' doubles like
It's nothin'
Aw
But nothin' makes you go away
I need something

"You proof"
Something stronger than
I'm used to
Yeah
I've been pullin' 90 to 100
Feel like
Nothing's gonna cut it
That's the hard truth
Yeah
I need something "You proof"
Aw, I need something "You proof"

Poured 'em up 'til
They're shutting 'em down, yeah
You never ain't not around, yeah
Don't matter what time or town
I can't get you gone

Turned the bar, yeah
Upside down
Just lookin' for somethin'
That does it
I'd give up all my money
Ain't nobody sellin' nothin'

"You proof"
Something stronger than
I'm used to
Yeah
I've been pullin' 90 to 100
Feel like
Nothing's gonna cut it
That's the hard truth
Yeah
I need something "You proof"
Aw, I need something "You proof"

Hey
I've been mixing liquors
Tryin' to get you gone
Aw
But I must be doing

Somethin' wrong
'Cause I've been working hard
To fade your memory
Baby
But the only thing faded is me

I need something
"You proof"
Something stronger
Than I'm used to
Yeah
I've been pullin' 90 to 100
Feel like
Nothing's gonna cut it
That's the hard truth
I need something "You proof"
(Poured 'em up 'til
They're shutting 'em down, yeah)
Aw
I need something "You proof"
(You never ain't not around
Yeah)

Don't matter what time or town
I can't get you gone
Turned the bar, yeah
Upside down
Just lookin' for somethin'
That does it
I'd give up all my money
Ain't nobody sellin' nothin'
"You proof"
