

Heartstrings

Family Force 5

Turning back from the wasteland,
I'm just an empty shell.
And it's so hard to face it,
Can't do this by myself.

You're pulling on my heartstrings, my heartstrings,
Pulling on my heartstrings,
You're pulling on my heartstrings, my heartstrings,
Pulling on my heartstrings.

Teach me now, Your harmony,
Cause I only want to sing with You.
Beautiful melodies,
Just between me and You.

Your song is playing in my heart,
It's getting stronger.
A symphony among the stars,
We're just getting started,
We're just getting started.

I can hear for the first time,
'Cause Your voice brought me to life.
You replaced all the silence,
When Your love made me alive.

You're pulling on my heartstrings, my heartstrings,
Pulling on my heartstrings,
You're pulling on my heartstrings, my heartstrings,
Pulling on my heartstrings.

Teach me now, Your harmony,
Cause I only want to sing with You.
Beautiful melodies,
Just between me and You.

Your song is playing in my heart,
It's getting stronger.
A symphony among the stars,
We're just getting started,
We're just getting started.

You are my heartbeat forever,
My love song forever.
You are my heartbeat forever,
My love song forever.
You are my heartbeat forever,
My love song forever.
You are my heartbeat forever,
My love song forever.

Your song is playing in my heart,
It's getting stronger.
A symphony among the stars,
We're just getting started,
We're just getting started,
We're just getting started.
