

## Living On Love

Family of the Year

Living on love  
Living on love and libations  
No complications  
Living with no complications

While we're living on love  
Living on love and libations  
Everyday's a celebration  
A special occasion

With our friends  
Walking and talking  
Crying from laughing  
Feeling OK when I hear you singing

Don't say you're sorry  
The love that you're bringing  
Is bringing me on

They say that you can't get every  
Little thing that you want  
Take another picture & compare  
It to the things you haven't got  
Woooah It's such a lie!  
It's such a lie!

Living on love  
Living on love & libations  
Everyday's a vacation  
Living with no complications

They say that you can't get  
Every little thing that you want  
Take another picture and compare  
It to the thing you haven't got  
Woooah It's such a lie!  
It's such a lie!

Woooah It's such a lie!  
It's such a lie!
