

Numb

Family of the Year

I feel numb
I feel numb
I feel, I feel
I feel numb

Could I care a life
Are we rolling home
Am I being kind
Did I go too far
Did I hit my head
Am I letting go
Does it love me now

Fully in decide
Amber dumb light
Dharma bums you guys
Did I hit my head
Am I letting go
Does it love me now
Am I on a kick
