

Asthma Attack

Famous Dex

Dexter! Dexter!
(Bankroll Got It)
Ha! Yeah!
Money on me, on my teeth
I keep a .30 on me
.30 is right in my jeans
I call up Dede you know that he shootin' for free
Ha, yeah, he shootin' for me
Huh, yeah, yeah that's my twin
We get the money, yeah, we win
We fuck a lil' bitch and they twins
Yeah, with her friend
Yeah, ooh, wait
I took that bitch on a date
I might just bust on her face
She want the money, she late, I told her she late
Huh, what, the old Dex is back
Huh, yeah, a asthma attack (Huuuh)
It's on me, baby-girl just relax
Yeah, bitch I'm back here
I get a check, no welfare
I could've been broke, yeah that was last year
Look at my pockets, them bitches got big ears
Ha, what, make a wish
She look at me, want a kiss
Baby-girl I do not kiss, bitch
Who do you kiss with your lips, miss?

Sorry, for my cussin', I ain't mean all that
That's your cousin?
He drink Robitussin?

All of my kids straight
Got rich off of mixtapes
My money like 6'8''
My chain a brand new Wraith
My bitch, she bad today
Can't fuck with these niggas, they fake
It's Kobe, expensive my steak
I had too much on my plate
(Woo), Yo Dexter!
Run up, we putting that boy on a stretcher
(What), Yo Dexter!
That pussy was good, I bought her a Lexus
Marshall went and got them pints from Texas
Break a brick down in the kitchen, I stretch it
World is mine, I done already said it
Bitch want a bag, but she cannot get it

Bitch want a bag, but I tell her forget it
Left wrist on baguetti spaghetti
Carti' frames, so I see where I'm headed
She let me swipe like it's debit or credit
Hop out the Lambo' truck
Brand new Amiri stuff
And I'm poppin' the tags
Stay with that cheese on us

If she ain't eating up
Then I'm dubbin' it fast
Try to compete with us
Little nigga you don't make no deposits
Ran it up when I ran out of options
Runnin' down like "What's in ya wallet?"
Came a long way, hittin' stains in the Balmain
I'm with Dex, makin' plays like the ball game
I don't gotta flex, diamonds hitting from long range
Stay with shooters, point him out, and they all aim
