Famous Dex

I get that check and I flex
I get that check and I flex

25 on my neck

All these bitches on my dick
Diamonds yellow like some piss

Oh shit, I bought a 'Mase
All these tats up on my body
5 bitches in the lobby
Yeah, they geekin' in the party

Never leave without the TEC
Diamonds all on my neck
They be shakin' like tourettes
I get that check and I brag
Throw it on a bitch ass

Watch me shake it on your ass
I get that check and buy guns
No.30s, all drums
Shootin' bullets at your lungs
Swallow bullets like some tums
Kickin' the door with no mask
Pass the TEC off like a mash
All the bitches call me Flash
Speed off in a Jag
