Checkmate

I been riding since the checkmate

I been riding since the checkmate

Checkmate, I been riding since the checkmate

Checkmate, I been getting it since the second grade

Checkmate, I been riding since the checkmate

Checkmate, I been getting it since the second grade

Pull up in lamb no Jeep

I got these diamonds on my teeth

What?

Your bitch she a freak, she dancing on me

Smoking on woods, no leaf

Smoking on woods, no leaf

What?

I'm sipping on lean, I feel dizzy

Second grade, I been riding since the checkmate

Rozay, got the 30 please don't tempt me

People be calling me psycho

I get the money, no Geico

Put dick in you bitch, she all in your bio

Huh, they copy the wave, so watch me just follow

Draco got the hollows

Swear to God they'll swallow

Fucking your bitch tomorrow

I get the money tomorrow

They call me tomorrow

Wait

And you know they wanna follow me

Get it since the second grade

Yea the checkmate

Checkmate, I been riding since the checkmate

Checkmate, I been getting it since the second grade

Checkmate, I been riding since the checkmate

Checkmate, I been getting it since the second grade

Dexter, yea, oh

I been getting it since the second grade

I been getting it since the first grade

Fuck your bitch then I pull her braids

I was broke back in the days

Now a nigga get stupid paid

I don't want no minimum wage
