

Hop On A Jet

Famous Dex

Money comin', you know I hop on a jet
I get to a bag, I flex so hard, that diamonds there right on my neck
This bitch so bad, she pop a lil' Perc' and get that lil' pussy wet
Diamonds dance all on my finger, all on my wrist and neck
Money comin', you know I hop on a jet
I get to a bag, I flex so hard, that diamonds there right on my neck
This bitch so bad, she pop a lil' Perc' and get that lil' pussy wet
Diamonds dance all on my finger, all on my wrist and neck (Dexter)

Baby I'm ballin', baby come hop in a Vet
Only diamonds on my neck
A 30 on my side and that's how I rock
I never my respect
I'm smokin' on dope, I came from my eyes
Got real me in a cut, he trappin' like fries
Bad bitch wanna fuck with me, she gotta be with
And I launder money, hell yea, I'm gettin' sea sick
Diamonds on me baby, I know you like me
Only copy way, wanna be just like me
