Famous Dex

I'm off two zans, yeah I'm the man  
Finessing the plug, I need me some bands  
Oh that is your bitch, I think she a fan  
I gave her my number, she all on my van  
I call my twin, she got her a friend  
Now we had a party, we needed me some zans  
I wanna fuck, but she wanted to dance  
Stop all that bitching shit, let's get to the plan

Let's get to the plan, let's get to the plan  
Let's get to the plan, let's get to the plan  
I ain't with all that simple shit  
Let's get to the plan, let's get to the plan  
Let's get to the plan, let's get to the plan  
Let's get to the plan, let's get to the plan  
Let's get to the plan  
I ain't with all that simple shit  
Let's get to the plan, let's get to the plan  
Let's get to the plan
