

# LIGHT

Famous Dex

Girl we could set it a light for one night  
You and I  
Girl we could set it a light for one night  
You and I  
Girl we could set it a light for one night  
You and I  
Girl we could set it a light for one night

I was thinkin', I was chillin', now I'm feelin', I was pillin'  
I was geekin' off a perc and I was thinkin' we should chill for the night  
Chill for the night

Hold on

She say she single so we mingled, doin' drugs you know illegal  
Baby girl, she wanna eat me like some pizza, so we cool for the night  
Only one night, yeah, ooh  
I'm off a percy  
You lookin' good, I feel dehydrated, I'm feelin' thirsty  
I wanna drink you, baby, hope you ain't shy  
Hope you ain't shy, yeah, ooh  
Swear to God, girl, your man a loser  
He a goofy, he beef on computers  
I want you, baby, swear to God, I won't hurt ya  
Yeah  
I might put you on and curse her

Girl we could set it a light for one night  
You and I  
Girl we could set it a light for one night  
You and I  
Girl we could set it a light for one night  
You and I  
Girl we could set it a light for one night

So I call her at the bar, now she had a couple shots  
Now I took her to my crib  
I'mma fuck her, kept her for the night  
Only one night, yeah ooh  
She woke up, she said, "Dex, how I get here?"  
I said, "Baby, we came up in the lyft and we got here right"  
So, baby, don't fight, ooh, yeah  
She lookin' thirsty, just take a shot of Patron  
If you thirsty, and, baby girl, please don't be shy, oh  
I can see in your eyes, yeah  
That you want a real man like me  
You wanna hang out with a man like me  
Got diamonds on my teeth, iced out my AP, yeah  
I'm going crazy in the streets, yeah  
Hold on, yeah

Girl we could set it a light for one night  
You and I  
Girl we could set it a light for one night  
You and I  
Girl we could set it a light for one night  
You and I  
Girl we could set it a light for one night
