Not one chain wearing three
Yellow diamonds, my wrist is on pee
Sloppy toppey, give me top in the Rari
Three rings but I'm balling hardly
Bitch I might Gucci your socks
Three bitches give me top
Three trappers, one block
The kitchen, I'm cooking the drop
I still got that dope in my sock

Three hundred get you popped
One phone call get you knocked
Three bullets in the Glock
Gucci slippers on my sock

Bankroll in my jeans
Pullin' the Lam out, it's clean
