

Look like I'm tellin' like last year I was confusin', ya heard
Playing xbox 360 not the xbox one
This year ballin' (cha ching)
Nobody run me
Uh woah
Oh man God damn

How they gon' send me a trend
Young nigga rockin' them vans
Fuckin' yo bitch in my vans
I don't even do the xans I'm just runnin' to the bands
A young nigga flex alot
I used to be up on the block
Pull in the [?]
Fuckin' different bitches make my heart stop

Look like I'm tellin' like last year I was confusin', ya heard

A young nigga flex alot
I used to be up on the block
Pull in the [?]
Fuckin' different bitches make my heart stop

A young nigga just like the Beatles
I fuck yo lil bitch, I just eat her
I swear to God I delete her
Diamonds on me like I'm Bieber
A big boy house got 5
Runners with me like I'm servin' Easter
Look at my [?]
I came from [?]
All my jewels be real
Everybody talkin' down, man I don't give fuck
I had to put forges on the Bentley truck
You run up on me I'm shootin' stuff
