

My Spot

Famous Dex

Watch how I pull off in a lot
The twelve right up on my spot
Oh shit is getting hot
Run up on me you get shot
I just pull up in a range
I ain't playing' no games
And baby girl you know I'm in a lane
I was smoking mary jane

Watch how I pull off in a lot
The twelve right up on my spot
Oh shit is getting hot
Run up on me you get shot
I just pull up in a range
I ain't playing' no games
And baby girl you know I'm in a lane
I was smoking mary jane

Watch how I pull in a Bentley, I got 5 bitches with me
I swear to God these bitches kissing
I put these bitches on a mission
Pull up right in my spot, I swear this shit is getting hot
But lil bro got a Glock, you run up on me you get shot
These bands on me like a skater, a middle finger to my hater
I took your bitch I'm a take her
You know I'm a money maker
And diamonds all in my Apple Watch
I fuck your bitch in the spot
You do this shit getting hot
Like getting money never stop
They say birds never flock
I been getting money baby check the clock
Your man broke and I'm not
I'm laughing hahaha
I paid 1000 for the frames, I ain't playing no games
I just pulled up in a range, I swear your boyfriend a lame

Watch how I pull off in a lot
The twelve right up on my spot
Oh shit is getting hot
Run up on me you get shot
I just pull up in a range
I ain't playing' no games
And baby girl you know I'm in a lane
I was smoking mary jane
