Dexter
Y'know, DJ roll up some Woods, bro
Smokin'

Pour a four, now I'm gold
Dexter

Ooh, huh, light it up with my bros
Had to pour a four, now I'm gold
Yeah, all my feelings go
She wanna fuck me, I send her home
Huh, light it up with my bros
She want some money, had to tell her no
I be sellin' out the shows
'Member broke, I was wearin' the same clothes

Huh, light it up with my team
Pop me a bean, now I'm seein' everything
Bitch want a ring and she want everything
I'm married to the money, yeah you see this wedding ring
Yeah, got this gold all up on my body
I'm ballin' is my hobby, geekin' off a molly
Run up on me, swear I might catch a body
Huh, I might catch a body
I'm geekin' off a molly

Ooh, huh, light it up with my bros
All of my feelings go
Yeah, had to pour me a four
'Member days I was sleepin' on the floor
Light it up with my bros
Had to pour up me a four
Now I'm sellin' out the shows
I remember broke, wearin' the same clothes

Wait, took your bitch on a date
Now she wanna skate, I bust in her face
She doin' coke, man she take the shits to the face
Sippin' on my lean, take the shit to the face
Wait, take a break, need to take a break
Heart race, feel my heart race, yeah
Who that's callin' me?
Fuck a bad bitch, yeah she keep stalkin' me

Yeah, light it up with my bros
Huh, pour a four
Huh, now all my feelings go
I remember days sleepin' on the floor
Huh, light it up with my bros
Pour a four, all my feelings go
Now I'm sellin' out the shows
I remember broke, wearin' the same clothes
Light it up with my bros
Pour a four, all my feelings go

I can't trust all these hoes

She want some money, tell that bitch "hell no"
Light it up with my bros
'Member days sleepin' on the floor
Bad bitch, she's doin' the coke
And she shove the shit all up on her nose
Huh

And you know how it go
With my bros
Had to light it up with my bros
