

# Took Time

Famous Dex

Took me some time I got over  
Took me some time I got over  
Took me some time I got over  
Took me some time I got over  
Took me some time I got over  
Took me some time I got over  
Took me some time I got over  
Took me some time I got over

It took me some time I got over you  
I told them I would be and I'm over here  
Cookin', workin', doin' the hell I'm supposed to do  
Makin' nothin' out of something, watch nigga show you  
I be workin' hard cause a nigga gotta get money  
Look at these blues and these commas  
Lemme count on it, lemme count on, lemme count it  
I'm a clock in and I'm a give it to you in the morning

Took me some time I got over  
Took me some time I got over  
Took me some time I got over  
Took me some time I got over  
Took me some time I got over  
Took me some time I got over  
Took me some time I got over  
Took me some time I got over

Tell me sometimes I got over  
Young nigga pull up in a Rover  
'Member last year ridin' 'round broke  
Now this year I ridin' 'round with the money  
You can't hide nothin' lil dummy  
All these lil bitches want money  
Put my dick right down in her tummy  
Why you keep laughin'? nothin' funny  
I can't trust on these hoes  
I don't love on these hoes  
Cool with my bros  
Have to pour me a 4  
Have to pour me a 4, whoa  
And you know how that goes  
Yeah, Dexter, yeah  
What? oh

Took me some time I got over  
Took me some time I got over  
Took me some time I got over  
Took me some time I got over  
Took me some time I got over  
Took me some time I got over  
Took me some time I got over  
Took me some time I got over
