

## Try Me

Famous Dex

Bitch I'm Rolling you know I'm toting  
One phone call then my then my niggas showing  
And I ain't with the though shit but I be blowing  
All these hoes thots man these bitches going  
They say they miss you then tryna diss you  
You better Watch your mouth they'll get you  
And these niggas soft I ain't talking tissues  
Ion want no deal man that's not the issue  
But If they sign me, sign me  
I'm a run and go tell my fucking family  
We ain't gotta stay in this damn tsunami  
I made it to the top Young nigga grinding  
So don't try me, try me  
I'll call Jimmy for the fucking shotty  
And free my nigga feko up out that audi  
My lil niggas savage down to cfatch a body  
You try to rob me, rob me  
I'll turn yo fucking body to a mummy  
And I'm not with the fu shit I ain't no dummy  
Bullets hit his stomach you would Think he hungry  
My niggas grimey you know they grimey  
56th n emerald bro where you can find me  
Posted with the killers no fu shit around me  
I was born to kill man that shit Crown me
