

What They Want

Famous Dex

What do you want?
Girl, what do you want? yeah
What do you want?
Tell me what you want, yeah
What do you want?
What do you want?
What do you want?
Girl, what you want? yeah
What do you want?
What do you want?
What do you want?
Girl, what you want? yeah
What do you want?
What do you want?
What do you want?
Tell me what you want, yeah

What do you want?
Baby girl kill it like Willy Wonka
She want a ring
I swear to God, baby girl, I can't wife her
She wanna stalk
She wanna walk
She wanna chalk
I kick her right out, cause baby girl light up
I ride in a Porshe
I pull to her crib, I'm early like Starbucks
And we got a bond
Relationship strong now, who gonna stop us?
All these bitches tryin' block us
Mad cause they can't be us
Girl, leave us alone
Girl, just leave us alone yeah
What do you want?
Uh, please, I'm stuck in my phone
I don't want more
I swear I don't want more, yeah
Girl, you is a whore
We fuck on the floor
You rock the back door
I leave you ass alone, yeah

What do you want?
Girl, what do you want? yeah
What do you want?
Tell me what you want, yeah
What do you want?
What do you want?
What do you want?
Girl, what you want? yeah
What do you want?
What do you want?
What do you want?
Girl, what you want? yeah
What do you want?
What do you want?
What do you want?

Tell me what you want, yeah
