Cap Ferrat

Famy

Tell me
What? You want in?
Tell me
What? You want in?

Green eyes
Give you nothing
Green eyes
Give you nothing

You're wrong
You're wrong
You're wrong
You're wrong

Beg me
What? You want in?
Beg me
What? You want in?

You're wrong
You're wrong
You're wrong
You're wrong

You're wrong
You're wrong
You're wrong
You're wrong

Can't try to keep it together
You're still my boy
You were my brother
You're still my friend

Cap Ferrat in the Summer
You're still my boy
You were my brother
You're still my friend

I'll let you cry into the tissue of my heart
Daylight after dark
