

Donkey

Famy

Shy secluded
A guy, a move
Goliath brood
Come

Guy gonna swear
Man unaware
See if we care
Guy gonna fear
Man isn't near
Famy is here
Donkey

Lie, you're crude
Die, kaboom!
A fire, a room
Bum
This ass is mine!
A seat, a ride
A fire behind
Come

Guy gonna swear
Man unaware
See if we care
Guy gonna fear
Man isn't near
Famy is here
Donkey

Don't bludgeon me, bum
There's light in my palm
