

# Yellow

Fana Hues

He'll love me all night long if I say so  
I ain't even gotta check the bill 'cause it's paid for  
I'm never gon' be wanting, I can make more  
Gone, gone are days of blue  
I feel yellow  
I feel yellow, yellow, yellow  
I feel yellow  
I feel yellow, yellow, yellow

Wait up  
I'm asleep on the couch with my tea cup  
Not pressed if I'm enough  
And it's all because I finally know what I want  
And it ain't that same old shit, my bad  
But it ain't the same old stuff  
The mood is mellow, baby  
To match my yellow, baby, yeah, yeah, yeah

He'll love me all night long if I say so  
I ain't even gotta check the bill 'cause it's paid for  
I'm never gon' be wanting, I can make more  
Gone, gone are days of blue  
I feel yellow  
I feel yellow, yellow, yellow  
I feel yellow  
I feel yellow, yellow, yellow

Now my only match would be the sunshine  
Mind my own and suddenly I grew  
Won't be sharing nan' goods, this all mine  
One mo' gin, I'll write it out for you, ah  
It ain't that same old shit  
That you be coming with  
Pray God these feels won't drift, drift, drift, ooh  
The mood is mellow, baby  
To match my yellow, baby, yeah, yeah, yeah

He'll love me all night long if I say so (If I say so)  
I ain't even gotta check the bill 'cause it's paid for  
I'm never gon' be wanting, I can make more  
Gone, gone are days of blue  
I feel yellow  
I feel yellow, yellow, yellow  
I feel yellow  
I feel yellow, yellow, yellow

I'm feelin', I'm feelin', I'm feelin' yellow  
I'm feelin', I'm feelin', I'm feelin' yellow  
I'm feelin', I'm feelin', I'm feelin' yellow  
I'm feelin', I'm feelin', I'm feelin' yellow
