

STARRY NIGHT

FANATICS

I'm walking and blooming
Jamsi kkeojyeotdeon nau i iyagi
Drawing this story
Ppaegoki chaewo jin hui jongi
Sai sai beonjyeo beorin saekdo fine fine
Nobody never knows
No one knows my pleasure heart

I can show you my new dimension
And I have been striving due to
Some meaningful switch in life
Show you true colors in my dream
Bicheuro deotchil doen my darkness, ness
Cause I've been changed slowly

Lonely night, lonely fight
Lonely being myself modeun geol jina nan

I'm shinning starry night
Just keep the light
Gin ujuui dameul neomeoseo
Nae bicheuro gadeuk chaeul tonight
My days are coming by

Eojeui naegen sorry
But I'm keeping in the new story
I'll make it clear
And I'll cross the line
And show you true colors in my dream
Challanhi dwideophin my weakness, ness
Cause I just wanna say that

Deep dark in shady starry night
Everyday lonely night
Han julgi bit hana boiji anteon gwageoui bam
Dasi saebyeogi jigo dasi nuneul tteo
Na yeoksido geureoke gidaehae dareun nae moseubeul
Naega kkum sogeseo haesseotdeon sangsangdeul
Modu seonmyeonghaejyeo hanassik irwoga
Everyday, everyday, everyday and night
Hayan bicheuro muldeun (It's my starry night)

Lonely night, lonely fight
Lonely being myself modeun geol jina nan

I'm shinning starry night
Just keep the light
Gin ujuui dameul neomeoseo
Nae bicheuro gadeuk chaeul tonight
My days are coming by

My days are coming by
My days are coming by

It don't matter what others say
Nothing holding back seize the day I've waited long enough
Take my all and wake me up

My starry night
Everyday, every night, deouk challanhi binnael
Nal bichul starry Night
My starry night
Everyday, every night, nau! gyejeoreul binnael
This all nights
My days are coming by

Lonely night, lonely fight
Lonely being myself modeun geol jina nan
I'm shining starry night
Forever keep the light
My days are coming by

I'm walking and blooming
