

Go Cha Cha

Fancy

I, I've got a new kind of style (Go Cha Cha)
You, you'll dance with me and go wild (Go Cha Cha)
Stand by, ready to go, look in my eyes, I'm Romeo
Not gonna sign, I'm telling you why
Now you're gonna dance with a Cha Cha guy.

Oh oh oh, you turn me around
Cha Cha takes my feet off the ground
Oh oh oh, like a merry-go-'round
Cha Cha brings me up 'n down.

I, I'm dancing in new kinda craze (Go Cha Cha)
We, we're moving so cool nowadays (Go Cha Cha)
Now I'm a dance machine, don't run away in your Cha Cha dream
Child, obey what I have to say
Gotta push and shove for my Cha Cha love.

Oh oh oh, you turn me around
Cha Cha takes my feet off the ground
Go Cha Cha, Go Cha Cha.

Oh oh oh, you turn me around
Cha Cha takes my feet off the ground
Go Cha Cha.

Oh oh oh, you turn me around
Cha Cha takes my feet off the ground
Oh oh oh, like a merry-go-'round
Cha Cha brings me up 'n down.
