

Long Way To Paradise

Fancy

Losing your way
Losing your heart's demand
Fool by a shadow in your mind
Wasting your day
Trying to understand
Searching the Buddha in you
Searching the light.

Long way to paradise
Long night in hell
Too dark for lullabies
Dreams are for sale.

Long way to paradise
Long night in hell
Too dark for lullabies
Long way to paradise.

Money and fame
Dreams of a perfect love
Fading to grey before your eyes
No one to blame
Just like a crying dove
You'll find your way to freedom
Deep in your heart.

Long way to paradise
Long night in hell
Too dark for lullabies
Dreams are for sale.

Long way to paradise
Long night in hell
Too dark for lullabies
Long way to paradise.

Losing your way
Losing your heart's demand
Fool by a shadow in your mind.

Long way to paradise
Long night in hell
Too dark for lullabies
Dreams are for sale.

Long way to paradise
Long night in hell
Too dark for lullabies
Long way to paradise.
