

Magic

Fancy

This is the magic of your mind.

This is the magic
This is the magic.

Your world appears like in a dream
This is the magic
And things are never what they seem
This is the magic
You make them up in your own mind
This is the magic
Desires from your endless night
This is the magic.

This is magic
This is magic.

This is the magic of your mind
Dance of illusion
Your life is hiding far behind
Veils of confusion.

You never find eternity
This is the magic
If you are chasing what you see
This is the magic
How could you ever break the seal
This is the magic
Believing what you think and feel
This is the magic.

This is magic
This is magic.

This is the magic of your mind
Dance of illusion
Your life is hiding far behind
Veils of confusion.

Dance of illusion
Veils of confusion
Dance of illusion
Veils of confusion.

This is the magic of your mind
Dance of illusion
Your life is hiding far behind
Veils of confusion.

This is magic
This is magic.

This is the magic of your mind
Dance of illusion
Your life is hiding far behind
Veils of confusion
Magic.
