

## Slice Me Nice

Fancy

My body's burning like a flame, that's blue  
It's time for action and I want it from you  
Slice me nice, slice me nice

My heart is beating to the rhythm of love  
I need you, baby, like cold hands need a glove  
Slice me nice, slice me nice

I'm like a cake that wants to be baked  
I'm like a pie made for hungry guys  
My body's burning like a flame that's blue  
It's time for action, baby, cut me in two  
Slice me nice, slice me nice

S L I C E - slice me nice
