

# Good Lovin'

Fantasia

One sunny, sunny morning  
When my man's right by my side  
Held me closely, so close I felt love inside  
Its like paradise when he  
He called me his favorite girl  
And for sure he's my favorite boy  
And I'll be there when he needs me to be like no other woman gives you joy c  
ause I  
I'll give him  
Good love to you  
Sweet love to you (sweet love)  
There when you say (there when you say)  
Gotta do for you (gotta do for you)  
Hold onto you (hold on to you)  
Right here for you  
Oooooohhh  
Good lovin'

Sweet love to you (sweet love)
