

# It's All Good

Fantasia

The things you told me I  
Had me open I  
Gave you something I gave nobody else  
Led me to believe you had had just what i need  
Now i see its game guy been dragging my name  
You put on a show kept the music slow  
Got all up in my ear saying things that i love to hear  
Tears came to my eyes but im not gonna cry  
Everything that you ever said turned out to be all lies

Cause it's all good  
Didn't care that you broke my heart  
It's all good  
What u had but u hit and run  
Its all good  
U mistake my love for fun  
Boy u played the part just to get my heart  
Damn it hurt but it's all good

You had her in my car  
Like she was a star  
Promised i would be if i satisfied all your needs  
I feel like a fool  
Cuz i trusted you  
Did what i didn't want to do  
Just cuz u wanted me to  
I gave my soul and I  
Just don't know why  
Couldn't i recognize you were about lies  
All my girls out there just cuz he say he cares  
U can't believe everything that he spits in your ears

All my girls that have been hurt brush the dirt off cuz its all good  
All my girls that have been hurt throw you hands up cuz it's all good

It's all good (It's all good)  
Shouldn't have let you break my heart  
But it's all good (it's all good)  
Should have known it from the start  
But it's all good (it's all good)  
Boy you played around with my heart  
But it's all good (it's all good)  
You played the part to bet my heart  
Damn it hurts, it hurts, it hurts  
But it's all good (it's all good)  
You played with my heart  
but it's all good (it's all good)  
Fantasia's from the hood  
But it's all good (it's all good)  
Yeah Yeah

All my girls that have been hurt brush the dirt off cuz its all good  
All my girls that have been hurt throw you hands up cuz it's all good
