This Is Me

Oooohhhh This is me this is who i am..

I'm still tryna make it out Cause i'm still just another girl from the ghetto There's so much in my life I break down cause i'm so deep in the struggle (there isn't sun in rain. there ain't joy in pain.) Thought i found my way out then i'm back again From the streets to the stage of hollywood Back to the blessings And the love in the hood

I'm just a girl tryna make a way (ohhhohhh)
It gets so hard but i'll be ok (be ok)
I don't really care what the people say
Cause this is me
A mother, a daughter (daughter), a sis to my brother (sis to my brother)
I'm every woman cause i gotta be
And god put me through it
Cause he know i can do it
Cause this is me yeah

Southern girl with city dreams Got a sack full of clothes and just a few ol' dollars Bustin' tables while i'm tryna sing Hope i hit it big so i can send for my daughter (there isn't sun in rain. there ain't joy in pain.) Thought i found my way out then i'm back again From the streets to the stage of hollywood Back to the blessings And the love in the hood

I'm just a girl tryna make a way (make a way)
It gets so hard but i'll be ok (ohhhohhh)
I don't really can what the people say (oh yeah)
Cause this is me (this is me yeah)
A mother (mother), a daughter, a sis to my brother (sis to my brother)
I'm every woman cause i gotta be (oh yeah)
And god put me through it
Cause he know i can do it
Cause this is me yeah

No one really knows the whole truth (the whole truth about me) And no one's had to live in my life (then they would know it ain't easy) Made my share of mistakes That's alright Cause i'm not gone be afraid no more Cause this is me And i won't hide who i am

I'm just a girl tryna make a way (ohhh oh yeah!)
It gets so hard but i'll be ok
I don't really care what the people say (what the people really say!) (oh ye

Fantasia

ah!) Cause this is me A mother, a daughter, a sis to my brother (sis to my brother) I'm every woman cause i gotta be (hey!) And god put me through it Cause he know i can do it Cause this is me yeah
